

Hydro One Public Safety Policy

Hydro One is Ontario's largest electricity transmission and distribution company. We are focused on being an efficient and dynamic business, but above all safety is our top priority.

Our Commitment

- We will comply with all applicable legal requirements and follow good utility work practices to protect the public.
- We will use a risk-based approach to incorporate public safety considerations into business practices and decisions.
- We will promote public awareness of safety issues related to our electrical facilities.
- We will encourage and support stakeholder initiatives that address public safety issues.
- We will support community safety initiatives through our Community Citizenship Program.
